Jan 27, 2019 I have the Carminat Tomtom SUV Live, and I have uninstalled it and tried to install the latest version. The road map and regional map are displayed on the TomTom Live RC4 update is a package containing fixes for the latest vehicles. Jan 18, 2020 Hi to all. I have just updated to TomTom Home 6, but the TomTom Live RC4 update is a package containing fixes for the latest vehicles. Feb 13, 2020 Hi, I updated my carminat to live today from the official 2019/2020 update, I see the map in the cars navigation like its all ok and all but when I drive the car the map if not showing although some one in the car can move the map around and it is not set automatic and switching on and off so how do I . Mar 27, 2020 Hi, I have a navigation device (Carminat TomTom Live). When I go on road in driving mode (it is not automatic) and try to use google maps for traffic I see the map just in browser and just for a few seconds. There is no map on the device though. Mar 20, 2020 May I ask if someone is updating their Carminat TomTom to TomTom LIVE 2020?. The reason I ask is because when I use the TomTom HOME app the map looks great but when I enter LIVE part of app the map isn't showing.. It has been a problem for a long time and I have never got a response to my query on the support page. Jun 7, 2020 Hello everyone. I'm new in here. I'm trying to solve my problem, first we have a Renault Carminat Tomtom (model U130) with the Tomtom Live 2020 installed. My carminat is getting older. I don't upgrade it anymore. I'm trying to update my carminat to the TomTom LIVE 2020 but in updates option of my Carminat, the option Tomtom LIVE is not available. Jun 20, 2020 Hi, after searching the internet I have found a solution for my problem. The solution is I uninstalled my carminat Tomtom (model U130) and then updated to TomTom Live 2020, since it's the last version which I have for my carminat. Jan 19, 2020 Hello everyone, I have a Renault Carminat Tomtom with TomTom Live.

Nov 17, 2013 So I've managed to install the maps on a Carminat TomTom Live, the default one that comes with the deluxe version, but I'll need a better solution than just copying from the SD card to the internal memory, it's because I need to do a Apr 24, 2016 I have a Carminat TomTom NL Basic installed on my new Renault, I have used the original SD card which was with the device, and i would like to update it.
