Everything you need to know about Rockstar games! Rockstar games, often simply called Rockstar, are an American developer and publisher. Based in the San Diego, California area, Rockstar developed the Grand Theft Auto series of video games.

Rockstar Games was established in 1982, when Dan Houser and Sam Houser founded the company, and its games have sold more than 100 million units and earned more than \$4.5 billion in sales. Rockstar has two offices: one in San Diego and one in Los Angeles, California. Rockstar's first game, the run and gun action-adventure game, The Crack in the Earth, was released in 1983 for the Atari 2600, and was originally developed as a university game for Houser's University of California, Berkeley undergraduate degree. Rockstar has since released over 50 games since then, with many of them being highly acclaimed critically and commercially. The company has also produced a variety of other products such as the Grand Theft Auto comic book series, the Grand Theft Auto V soundtrack, a movie about the company, and several other films and TV shows. Grand Theft Auto is a series of video games developed by Rockstar North and published by Rockstar Games. The first game, GTA III: Liberty City Stories, was released for the PlayStation and the Game Boy Color in 1997. Grand Theft Auto 4, released in 2005, was the first game in the series to be released for the PlayStation 2. Grand Theft Auto: Vice City, released in 2002, was the first game in the series to be released for the PlayStation Portable. Grand Theft Auto: San Andreas, released in 2004, was the first game in the series to be released for the PlayStation 3, and was the first Grand Theft Auto game to be released in the first generation of the PlayStation. Grand Theft Auto V, released in 2013, was the first game in the series to be released for the PlayStation 4, and was the first game in the series to be released on a home console. Grand Theft Auto Online, released in 2013, was a massive multiplayer online game developed by Rockstar San Diego and published by Rockstar Games. Grand Theft Auto: Vice City was the sequel to the first game in the series, Grand Theft Auto III. It was originally going to be called Grand Theft Auto: Vice City Stories, but Rockstar changed the name during development. Vice City was released for the PlayStation and Game Boy Color in 1998. Vice City featured many changes in the game's design, 82157476af
